

I feel capable within. All of my actions will be anchored in faith. I will succeed in my efforts today as I speak truthfully with kindness.

I will listen with my heart and be in-tune to the thoughts that come to my mind. I am willing to be an Angel on this Side of heaven. I have the opportunity every day to serve others. God knows that I can be trusted to see these experiences as an opportunity to do His will.

Today I take on an attitude of willingness, optimism, inspiring, hopeful Intention
